Over the course of a week, young people from all over the world are welcomed, mainly in public (gymnasiums, schools, pavilions ...) and parish facilities or family homes. In addition to the moments of prayer, sharing and leisure, the young people enrolled in this celebration participate in various initiatives organized by the WYD team, in different locations across the host city. The highlights are the celebrations (central features) for which the Pope is present, such as the welcoming and opening ceremony, the Way of the Cross, the vigil and, on the last day, the closing mass.
