In Dalyan life is the equivalent of the water. The Dalyan river which is the **topic of many movies**, is famous for its **caretta caretta** (sea turtle) and **blue crabs**. Dalyan İztuzu Beach known as **The Turtle Beach** which streches 7.5 kilometers is one of the **most picturesque beaches** of Turkey where you can also **swim and enjoy** the beach.

Day 5: Salda Lake Tour & Pamukkale Hierapolis Tour

Overnight in Pamukkale: (Breakfast & Lunch Included)

Salda Lake is a pole of attraction for many visitors every year. It is famous for having the **cleanest waters**, which are rich in minerals. Therefore, many people swim into the lake in order to **revitalize** their skin. Salda Lake is particularly popular for another reason. The **jaw-dropping landscape** that surrounds the lake and the lake itself, are the reasons making this lake special. In fact, many people call this lake as the "**Turkish Maldives**". The **turquoise waters**, along with the **white sands**, rocks, calming sun and wind create an **exotic** landscape. The tour guide will let you know some interesting facts about the lake when you arrive. Then, you are free to enjoy your time as you wish.

After the sightseeing of Salda lake, we will be transferred to Pamukkale.

Pamukkale tour is a **culture and nature** tour to the ancient city of **Hierapolis** and Pamukkale's **world-famous travertines** (calcium terraces).

The calcium terraces are called Pamukkale which means '**cotton castle**' in Turkish languages because of their appearance. Pamukkale is known as one of the **oldest thermal cities** in the world. Pamukkale's thermal waters have been always attracted its visitors with its **beauty and health purposes** for centuries. The thermal water of Pamukkale **heals illnesses like heart diseases, rheumatism, digestion, respiration, circulation, and skin diseases**. The area is on the list of **UNESCO** heritage. Pamukkale is visited by millions of tourists from all over the world every year.
